

# Camp Bow Wow and Meow

## Checklist

---

To ensure that you have everything you need to bring your pet to camp, print this page, pack up your pet's bag and you will be ready to send your pet to camp!

### FOOD

We recommend bringing your own pet's food to prevent upsetting their digestive system from a change in their diet which can lead to diarrhea. We suggest bringing their food in a container or in pre-measured baggies with just a little more than enough for their stay just in case you are delayed for any reason. However, you do not have to supply food, we feed Diamond Brand foods.

### VACCINATIONS

Camp Bow Wow & Meow can not accept any pet for boarding that is not up to date on all of the required vaccinations. Please make sure you bring updated shot records with you. If you are not sure, please call your vet to confirm shots, dates and to get necessary documents.

**Required for dogs:** Rabies, Distemper (DHLPP) and Bordatella

**Required for cats:** Rabies, Distemper, Feline Leukemia

### EMERGENCY CONTACT INFORMATION

Please bring names and phone numbers of the person(s) you would like us to contact in case of an emergency.

### MEDICATION

All medication should be clearly labeled with your pet's name and dosage amounts and frequency. If you administer pills in cheese, peanut butter or other items, please supply that item also. Make sure to tell us what the medication is for.

### BEDDING

You may bring something for your pet to sleep on from home to keep their family scent with them. It must be something that we can throw in the washer and dryer if it gets soiled like a towel, rug, or small blanket; not something large and bulky. We do not suggest foam beds as they are more susceptible to destruction.

### TOYS

You may bring 1 to 2 toys from home. Tennis balls and rawhides are not given to dogs while at Camp due to possible risks.
